Special Open Enrollment for Blue Care Network Members Who Wish to Continue to Participate With Beaumont Hospitals in the Event BCN and Beaumont Cannot Come to Terms

While BCN and Beaumont Hospitals continue to negotiate towards a resolution, hopefully before the stated January 12, 2012 deadline, groups who wish to stay Blue will be allowed to conduct a special two-week open enrollment period.

From January 13th through January 27th, BCN HMO members may opt to move to a BCBSM PPO. This will appease those BCN members who wish to continue to utilize Beaumont Hospitals in the event of departicipation. All membership changes will be effective February 1, 2012. Retro-enrollment will not be allowed.

If you have any questions regarding this matter, please contact your J.S. Clark Account Manager at **248.355.9600**.

Please be aware that Beaumont's potential departicipation does not affect primary care physicians or specialists' offices. BCN will pay for covered physician and professional services as long as the physician participates with BCN.
